

# Study Without Hunger

Confronted with Sri Lanka's **worst economic nightmare** with the fall of local currency and soaring inflation, expended are essential commodities to carry out daily tasks and source necessities

## Support families of students in 10 schools in Jaffna

Sri Lanka, having been termed a country with a wealth of resources, is at the **edge of losing its people to extreme poverty and hunger**. Various, often unsafe, financially risky, and emotionally exhausting methods for seeking economic asylum or a means of hope lead to increased hardships

## Provide emergency relief and support

Safeguard the physical, social and mental well-being of the community, through the provision of basic food and other essential emergency relief items with "Visions"

**Visions Global Empowerment** is a not-for-profit and service-based organization committed to seeing a world where all people have access to **quality education**

Dry ration support to overcome hunger, providing essential food items to children's families - 14 US \$ for a family of a student/1400 US \$ for 100 families of students;

6 US \$ to ensure stationery items for learning tools for a student and 300 US \$ for 50 students;

Home gardening support to encourage sustainable vegetable production - 28 US \$ for a family/700 US \$ for 25 families.

Enable social change through education, leadership and technology in partnership with communities affected by poverty, conflict and disability.
